

HOMEROOM

On the first day of school Thursday, August 21st, you should go directly to your assigned Homeroom. For 8th grade students, your homeroom is your first period class. For 7th grade students, your homeroom is your second period class. In a few cases the location of your homeroom will be different than the normal location of your first or second period class. Please refer to the list below for specific room information. Your homeroom section is found at the upper left- hand corner of your enclosed schedule.
